San Francisco—The San Francisco Municipal Transportation Agency (SFMTA), which oversees all surface transportation in the City including the Municipal Railway (Muni), encourages baseball fans to take Muni, taxis, walk or bike to the San Francisco Giants Opening Day at AT&T Park, Friday, April 8. The game will start at 1:35 p.m. An Opening Day crowd of more than 42,000 fans will attend the first home game of the World Championship San Francisco Giants 2011 Season.

Transit

The following Muni service is available to and from all home games:

- T Third
- N Judah (Weekdays only)
- Metro Shuttles
- 10 Townsend
- 30 Stockton
- 45 Union
- 47 Van Ness

Baseball fans transferring from BART may purchase pre-paid fare (round trip) at the Embarcadero Station. One-way transfers can be purchased at the AT&T Park ticket windows two hours prior to the game and after the sixth inning.

The SFMTA will schedule six additional Metro “baseball shuttles” to supplement the existing N Judah and T Third service to the ballpark.

The additional service begins two hours prior to the game and continues until approximately 20 minutes after the start of the game.

More details about Muni service to AT&T Park, including connections from other Bay Area transit systems, can be found at www.sfmta.com.

more – more – more

Traffic

As the game may end during the Friday afternoon commute, motorists should expect heavy traffic on freeways and streets near AT&T Park and on all approaches to the Bay Bridge on Friday afternoon.

Taxi Zones

The SFMTA has created a new taxi zone serving AT&T Park that is in effect on event days only. Existing taxi zones will continue to serve AT&T Park customers on event days.

- **New!** 3rd Street (west side) just north of King Street
- 2nd Street (west side) between Brannan and Townsend streets
- 2nd Street (west side) between Townsend and King streets

Bicycles

The San Francisco Bicycle Coalition operates a secure bike parking facility at AT&T Park. Bicycle parking is located on the south side of the ballpark, along the PortWalk, and opens two hours before every game and closes 30 minutes after each game.

As many as 20 SFMTA Parking Control Officers (PCOs) will also contribute to the ease of getting to and from the game. Prior to each game, these PCOs are deployed to key locations around the ballpark to facilitate pedestrians, transit vehicles and other traffic.
